WERDEN & CHAMBERLAIN, 3d doors East of Capital House NEW PORTABLE GRIST MILL. FARMERS AND FEEDMEN are respectfully invited to call at PRATT, KREGELO & CO.'S Plening when once scated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with glaring falsehoods, too well calculated to deceive the young, and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in these cases.

The Fluid Extract Buchu has been pronounced by eminated by greatest remedy ever known. It is not the country.

Mill, on the North East Diaground and witness the operation of one of Felton's Improved Patent Portable Corn and Feed Mill. Quite a large number of these Mills are in successful operation in different portions of the country, and are giving first rate satisfaction. They grind from five to also bushels of Corn Meal, or from ten to twelve bushels of Feed per hour, with less than two hogse power.

The simplicity and cheapness of these Mills, and the rapidity and quality of the grinding, as well as the ocon only and convenience of grinding, are unparalleled by any other mill in the country.
